SUPPORT LGBTI REFUGEES

一般社団法人Rainbow Refugee Connection Japan 06.11.2018

Overview 概要

We support LGBTI refugees registered through Kenya UNHCR's processing. People who have been persecuted and fled due to SOGI (sexual orientation, sexual identity) reasons from various countries such as Uganda, Burundi, Congo, Rwanda, Nigeria, Tanzania, Sudan, Somalia, Ethiopia, etc. For instance, those born as LGBTI (lesbian, gay, bisexual, transgender, intersex) who were put in jail or were likely to be killed by family members and relatives.

A variety of support is needed during the long period of resettlement process.

Goal 目標

1. LGBTI

Ensure LGBTI refugee applicants to live safely. Provide financial assistance, inquiries to UNHCR, encouragement to arrested refugees, outreach to people who are ill, injured and mentally depressed through local refugee staff.
